Sister assisting in the care center

Our Life is centered around the Liturgy of the Hours, Eucharist, and the internal and external ministries. Our values include Community, Hospitality, and Awareness of God.

Sister Bonita and Raelynn Coldwell want you to have this kind of an experience

What you get to enjoy!

Sacred Heart Monastery is situated on a bluff overlooking the Missouri River. The Monastery grounds feature a wealth of flower gardens, a small vineyard, an apple orchard, the Monastery vegetable garden, contemplative walking paths, the Monastery cemetery, woods, along with spectacular views of the Missouri River. A biking/walking path connects the Monastery Campus to the Lewis and Clark Resort and Recreation Area that features hiking/biking paths, camping grounds, fishing, swimming, sandy beaches and more.

Prayer is central to our life. Participants will attend daily Eucharist and the Liturgy of the Hours. In this program the volunteer will thrive in a nurturing environment and will thrive and grow as skills and talents are shared in a variety of contexts.
