Your Retreat

Sometimes we need to “come away for a while and rest” as Jesus often did when he went up to the mountain to pray and reflect.

The need for time to read, walk, rest and pray—so essential for anyone on a spiritual journey—is often overlooked or pushed aside in our busy lives. Time apart from daily demands can refresh us, enriching and revitalizing the ordinary.

Fashion your own day or request the companionship and guidance of an experienced retreat director at the Peace Center.
