Retreat Description

This retreat is offered online via Zoom.

Many good Christians experience fear, loneliness, and discouragement in the face of the prolonged, raging pandemic and political chaos. As we enter the Lenten season, we will pause and focus on hope, reflecting together on the virtue of hope and its power to bring inspiration to face our personal and communal experience with courage.

The morning will include times of prayer, short presentations, brief periods of silent reflection and dialogue in small breakout groups.

Benedictine Sisters Mary Jo Polak, Doris Oberembt, Penny Bingham and Jeanne Ranek will guide the retreat experience.

*Serenity
is not
freedom from
the storm,
but peace
amid the storm.*
